«Everything written before our time was written for our instruction, that we might derive hope from the lessons of patience and the words of encouragement in the Scriptures» These words, taken from last week's Apostolic reading – *Romans 15:4* –, were the focus for the homily. To further encourage discovery of the riches of Sacred Scripture and especially the Psalms, the following is suggested. In the introduction to Patrick Henry Reardon's classic book *Christ in the Psalms* we read: «It is the profound Christian persuasion that Christ walks within the Psalms, and this is the reason the Book of Psalms is the Old Testament book most often quoted in the New Testament. When He opened their eyes to the meaning of Holy Scripture, the risen Lord explained to His disciples the things concerning Himself “in the Law of Moses and *the Prophets and the Psalms*”»

Blockages in these arteries are a leading cause of stroke. We are pleased to host this Life Line Screening event on August 18th, 2012 at St. Mary Byzantine Catholic Church.
