We have gathered to celebrate and to praise with song the model of bishops and a glory to the fathers, a fountain of miracles and a great helper of believers. Let us sing to the saintly Nicholas: Rejoice, O Protector of Myra who was revered as its leader and strongest pillar. Rejoice, O Radiant Star whose light of miracles shines throughout the world. Rejoice, O Divine Joy to those in sorrow. Rejoice, O Defender of those who are oppressed; for even now, all-holy Nicholas, you still pray to God for us who celebrate your feast with faith and who honor you with zeal and joy.

The fruit of your good works, O holy father, has brought joy to the hearts of the faithful. Who indeed has not heard of your wonderful work and not admired your patience and humility, the joy with which you fill the poor, and the compassion that you show to the afflicted? You have truly been an admirable example for all. And now that your unfading crown has been placed on you, O holy Nicholas, pray for our souls.

Nicholas, while on earth you lived for the glory of the Lord; now He has glorified you in the heavenly and true life. Since you have obtained favor in His sight, implore Him to save our souls.
