ORTHODOXY & LIFE

A Patristic Approach to Life Issues

LIVE WEBINAR

Thursdays, February 9th - 16th
8 - 9 p.m. ET

Presented by Archpriest Josiah Trenham, PhD

Christians are unequivocally called to be champions of life. We often become mired in political discussions about what it means to be “pro-life” but this distracts from the profound Christian understanding of the value of life, which transcends any lines made by society. In this study, the Church Fathers will guide us into a deeper understanding of what it means to champion life, and why it is an essential, non-negotiable, part of being a Christian.
